Food is stunning, both the

of beers. Love this place
            and will continue to visit.

fantastic and no matter what I

            am always delighted with my meal! Servers are also great and always efficient,
happy and polite. Can’t wait

eat in IWP Hotels

            Excellent food. Menu is extensive and seasonal to a particularly high standard.
Definitely fine dining. It
            can be expensive but worth it and they do different deals on different nights
so it’s worth checking them
            out before you book. Highly recommended.

Some Feedback

We are so fortunate to have this place just a few minutes drive away from home. Food is stunning, both the tapas and downstairs restaurant. Cocktails wow, wine great and lovely selection of beers. Love this place and will continue to visit.

This is my absolute favorite restaurant in IWP Hotels. The food is always fantastic and no matter what I order I am always delighted with my meal! Servers are also great and always efficient, happy and polite. Can't wait to return and wouldn't hesitate to recommend to anyone looking for somewhere to eat in IWP Hotels

Excellent food. Menu is extensive and seasonal to a particularly high standard. Definitely fine dining. It can be expensive but worth it and they do different deals on different nights so it's worth checking them out before you book. Highly recommended.
